**Eastern Shore Natural Gas Company; Notice of Proposed Changes in FERC Gas Tariff**

September 1, 1995.

Take notice that on August 30, 1995, Eastern Shore Natural Gas Company (ESNG), tendered for filing certain substitute revised tariff sheets included in Appendix A to the filing. Such sheets are proposed to be effective October 1, 1995.

ESNG states that the purpose of the instant filing is to track changes made in the rates for storage service purchased from Columbia Gas Transmission under its Rate Schedule FSS and SST, the costs of which are included in the rates and charges payable under ESNG's Rate Schedules CWS and CFSS.

ESNG states that copies of the filing have been served upon its jurisdictional customers and interested State Commissions.

Any person desiring to be heard or to protect said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C. 20426, in accordance with Rule 211 and Rule 214 of the Commission's Rules of Practice and Procedure (18 CFR Sections 385.211, 385.214). All such motions or protests should be filed on or before September 11, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the

Commission and are available for public inspection.

**[Project No. 11493-001 Utah]**

**L.B. Industries, Inc.; Notice of Surrender of Preliminary Permit**

September 1, 1995.

Take notice that L.B. Industries, Inc., Permittee for the Brink Pumped Storage Project No. 11493, has requested that its preliminary permit be terminated. The preliminary permit for Project No. 11493 was issued November 8, 1994, and would have expired October 31, 1997. The project would have been located on lands administered by the Bureau of Land Management, near Bear Valley, in Sevier County, Utah.

The Permittee filed the request on August 14, 1995, and the preliminary permit for Project No. 11493 shall remain in effect through the thirtieth day after issuance of this notice unless that day is a Saturday, Sunday or holiday as described in 18 CFR 385.2007, in which case the permit shall remain in effect through the first business day following that day. New applications involving this project site, to the extent provided for under 18 CFR Part 4, may be filed on the next business day.

**[Docket No. RP95-424-000]**

**Natural Gas Pipeline Company of America; Notice of Proposed Changes in FERC Gas Tariff**

September 1, 1995.

Take notice that on August 29, 1995, Natural Gas Pipeline Company of America (Natural) tendered for filing as part of its FERC Gas Tariff, Sixth Revised Volume No. 1 and Second Revised Volume No. 2, revised tariff sheets to be effective December 1, 1995.

Natural states that the purpose of the filing is to comply with the Commission's June 26, 1995 order in Docket Nos. RP95-326-000 and RP95-242-000 under which Natural is to submit revised rates reflecting the customers' August 1 service elections. This filing deals with the Primary Case submitted by Natural. Natural states that while the service elections were generally submitted under the new

services pursuant to the Pro Forma Case, those elections provided Natural with specific evidence as to the level of services its customers desire on Natural's system on and after December 1, 1995. This filing is being submitted solely as a fall back in the event the Commission does not allow the Pro Forma Case (revised rates for which were submitted on August 18) to go into effect on December 1, 1995.

Natural states that due to the significant fly-up in maximum rates created by these changes, it is proposed a deferred cost procedure to avoid such rate increases.

Natural requested waiver of the Commission's Regulations to the extent necessary to permit the tariff sheets to become effective December 1, 1995.

Natural states that copies of the filing are being mailed to Natural's jurisdictional customers, interested state regulatory agencies and all parties on the official service list.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 or 385.214 of the Commission's Rules and Regulations. All such motions or protests should be filed on or before October 27, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
